Welcome to the Association of Book Publishers of British Columbia's website! Whether you are one of our members, a new publisher, a writer, a student, or someone with a general interest in BC books and the publishing industry, you will find a wealth of information here.

The ABPBC is a provincial association of book publishing companies and is the largest regional affiliate of the Association of Canadian Publishers (ACP). We represent over 50 book publishing companies and work to encourage a healthy BC publishing industry through cooperative efforts with government and industry related organizations. You may have seen or heard of a few of our projects, such as [Poetry in Transit](#), [Read BC](#), or the [School Library Book Purchase Plan](#).
